We recognize and respect that your time is valuable. Our therapists' time is valuable as well. Our mission is to help our patients reach the goals set during the initial evaluation, and we can only work towards these goals when appointments are attended.

Patients who cancel or fail to show for three consecutive appointments will be discharged and asked to return to their physician before returning to physical therapy. A note will be sent to the referring physician regarding the reason for discharge.

Appointments may be made in advance; however, if attendance is not consistent, advanced appointments will be limited. ***There will be a $20.00 fee rendered for "no shows."***
